RE: Petition of Tennessee Wastewater Systems, Inc to amend Certificate of
Convenience and Necessity to include area known as Brownlee
Commercial Building

DOCKET: 05-00078

Dear Chairman Miller:

When we submitted our petition we inadvertently attached a second contract to
our Sewage System Maintenance and Management Contract with the developer.
We would like to remove that contract (titled Sewage Capacity Construction and
Expansion Contract) from our petition.

Should you have any questions, or if I can be of any assistance, please do not
hesitate to contact me.

Sincerely,

Charles L. Pickney, Jr.
President
Tennessee Wastewater Systems, Inc.
